

## Subsidy Request

### 2016 Annual Meeting

Since its founding the IALS has engaged in an active program to ensure that our meetings represent the different perspectives of all the world's law schools without regard to an institution's financial ability to participate. As a non-profit, volunteer service organization, we are dependent upon our members, foundations and corporate sponsors to assist in providing such support for developing country faculty who, either themselves or their institution, have limited resources to bear the full financial burden of attending our meetings. For those who still require assistance, the Association has set aside a limited budget for this purpose. Decisions will be based upon diversity of regions and legal systems, prior support, perceived need, and willingness of the applicant and/or its institution to partner in sharing the cost.

**Deadline for Submission: August 1<sup>st</sup>, 2016**

**Notifications: August 15<sup>th</sup>, 2016**

**Applicant Name:** \_\_\_\_\_
